

Our School Districts Step Up to Serve Youth Grab & Go Meals

A Listing of the School Districts Providing Support to the Eastern Counties of Idaho

In this time of crisis, it has been absolutely amazing to see so many people work together for the greater good. We at Eat Smart Idaho applaud the efforts made by our local school districts to serve Grab & Go Meals to the students in their schools. We felt compelled to put together a resource listing our local school districts who are providing meals and the most current information available.

We are in this together,
Your Eat Smart Idaho Team
